

**TMS International** will be exhibiting at the **2024 AISTech Show May 6-9** at the **Greater Columbus Convention Center** in Columbus, Ohio.

If you are attending, please stop by. We will be delighted to discuss what is happening at TMS and we are particularly excited about our new partnership with **Nippon Carbon** as the exclusive North American distributor of graphite electrodes.

Come visit us at **booth 2239**. Hoping to see you there!
