Dear TMS International,

I am honored to recognize the 100<sup>th</sup> anniversary of TMS International! I hope you take great pride in knowing that your company has had an extraordinary impact on both the Commonwealth of Pennsylvania and the world through your innovation and service to the steel industry.

As we mark the 100<sup>th</sup> anniversary of your company, we honor the humble beginnings of what was once a small one-person operation in Mon Valley, PA to a team of 4,200 employees who operate more than 80 locations around the world.

The heart of TMS International is not just its products or customer service, it is the people who make them possible. It is your passion, creativity, and expertise that inspires you to push boundaries and continue to create brighter futures for the next generation and beyond.

It is my great honor to represent you as your Senator, and I pray for your continued success for many years to come.

Sincerely,

David H. McCormick  
United States Senator
