## **TMS INTERNATIONAL RECEIVES 53 NSA SAFETY AWARDS**

PITTSBURGH, September 23, 2024 – TMS International recently received a total of 53 Safety Awards from the National Slag Association (NSA) for its sites in the United States and Canada, the most awards of any steel mill services company.

The NSA Safety Awards recognize superior performance as measured against Occupational Safety and Health Administration (OSHA) recordable injury rates. The awards were presented to the Company during the NSA’s annual meeting in Florida.

“The company is honored to receive these important awards and is proud of the culture of safety that is built into every facet of our organization,” said Raymond Kalouche, Chairman, President and CEO, TMS International. “The credit for these awards belongs to our employees around the globe who work conscientiously on a daily basis to make safety our top priority. I am proud of everyone and congratulate them on being recognized for their ongoing commitment to safety.”

The Company’s Gary, Indiana, Metal Recovery site, received the NSA safety award for the most improved.

TMS operations receiving safety awards for “Zero Recordable Injuries” for employees were:

**U.S.: Alabama:** Birmingham; **Illinois:** Alton; Bartonville; Bourbonnais; Granite City; Sterling; **Indiana:** Burns Harbor; East Chicago; Gary; Indiana Harbor; **Michigan:** Monroe; **Missouri:** Sedalia; **Nebraska:** Norfolk; **New Jersey:** Sayreville; **New York:** Auburn; **North Carolina:** Charlotte; **Ohio:**

Canton; Cleveland; Girard; Independence; Lorain; Mansfield; Middletown;  
**Oregon:** McMinnville; **Pennsylvania:** Braddock; Bridgeville; Burnham;  
Coatesville; Eighty-Four; Johnstown; New Castle; Reading; Sharon;  
**Tennessee:** Gallatin; Jackson; **Texas:** Longview; Seguin; and  
**Wisconsin:** Saukville.

Canada: Hamilton, Ontario; L'Original, Ontario; Regina, Saskatchewan;

“In addition, I also want to commend our TMS teams at our sites in **LeCreusot, France; Dunkerque, France; Riom, France; Kosice, Slovakia; Vanderbijlpark, South Africa; Johannesburg, South Africa; Tsumeb, Namibia; Monterrey, Mexico; Monclova, Mexico; Lazaro Cardenas, Mexico; and Huachipato, Chile, that worked more than 1.5 million** hours without a recordable injury in 2023.

“Further, to date in 2024 the company has had a total of 59 TMS locations work injury free, totaling more than 3.4 million hours without a recordable injury. These are amazing milestones and I’m proud of their dedication to the environment and safety,” Mr. Kalouche said.

TMS International is one of the largest global providers of outsourced environmental and industrial services to companies. Since 1926, TMS has set high standards in the area of environmental responsibility through recycling, maintaining energy-efficient operations, processing by-products for beneficial reuse and developing innovative, 24/7 programs designed to reduce greenhouse emissions and help customers reduce their carbon footprint.
